College of The Albemarle - HOBET INFORMATION

Health Occupations Basic Entrance Test

What is the HOBET? The HOBET is a computerized test administered by College of The Albemarle at the Owens Center on the Elizabeth City campus for several of the Allied Health, including Nursing, programs. It is a diagnostic test used to help provide information on a prospective student's aptitude for success by identifying skill development in math and reading comprehension related to the competitive Allied Health programs. In addition, the HOBET provides valuable information on learning style, test-taking skills, and other components essential for student success in the rigorous Allied Health programs.

How can I prepare for the HOBET? The coursework you have already completed is probably the best preparation for this test. However, if you would like additional preparation, there is a study guide available for purchase online at www.eriworld.com or from other resources such as bookstores and other websites. Two copies of the guide will also be available for review at the Owens Center from Mrs. Vivian Bridgers, Office 107. You will only be allowed to use these copies at the Owens Center and cannot take them out of the facility.

How do I sign up for the HOBET? You must complete the pre-admission requirements for the Allied Health program(s) you wish to apply for before you can request to take the HOBET. Students can then complete a HOBET Validation form from Annette Roberson, Admission Technician in office A118. You will need to take the form to the business office window and pay for the test and bring the form back to Ms. Roberson with your payment receipt to verify payment. Your file will then be forwarded to Owens Center for review of pre-admission requirements. You may call (252-335-0821 Extension 2283 or 2395) or come by the Owens Center (office OC 107 or OC 103) one week after completing the validation form to verify your application to take the HOBET is correct and select a date for testing.

How long does it take and when will I get my results? The timed test will be taken on a computer in Owens Center and will last approximately three hours. Results will be available within just a few minutes after completing the test.

How are scores used? The most recent HOBET test score is used for qualification and ranking. Students must score the minimal required scores for their program(s) of interest in Math, Reading and Composite scores within a single HOBET test. The Composite percentage score is also used as 50% of the competitive ranking process. If you do not score at the minimal scores, the test will give you feedback on your strengths and weaknesses so you can work to improve these areas or consider other career options.

How much does it cost? A \$30.00 fee will be charged for each opportunity to take the HOBET and is due at time of validation of pre-admission criteria, with a copy of the receipt from the business office attached to the validation form.

How many times can I take the test? You may take the test once and then are allowed one retake within a 365 day period, as long as 30 days have lapsed from the previous attempt. The 365 day period is calculated from the first test date. If an applicant schedules but does not show for the HOBET test, it will be considered as one of the applicant's testing opportunities.

How long are my scores good for? Once passing minimum scores have been achieved for all three sections within a single HOBET assessment, the scores are good for three years from the test date. Applicants should be aware that if they score lower on a HOBET retake, that lower score will be used as the most recent score for qualification and ranking consideration.

See the back of this sheet for information on Allied Health Pre-admission requirements, minimal HOBET scores, application deadlines, and a schedule of test dates.

IMPORTANT!!!

YOU WILL NEED TO BRING YOUR COA PICTURE ID or DRIVER'S LICENSE ON THE TEST DATE IN ORDER TO BE ADMITTED TO THE TEST SITE!!

YOU MUST HAVE A PICTURE ID!

PRACTICAL NURSING PROGRAM FACT SHEET

In accordance with the standards set forth by the North Carolina Board of Nursing, the admission process outlined in this fact sheet was developed by the Practical Nursing faculty and is to be implemented by the Admissions Office with Practical Nursing faculty oversight.

PHASE I: PRE-ADMISSION REQUIREMENTS:

Applicants seeking admission into the Practical Nursing program must complete the following steps **by March 15, 2009**, in order to be considered for acceptance for the Fall Semester 2009. (At the discretion of the PN Program Coordinator, some applications may be considered after the deadline.)

- _____A. **Complete and submit a written COA Application for Admission**, which expresses interest in the Practical Nursing program, to the Admissions Office, Elizabeth City Campus.

- _____B. **Bring or send an official high school transcript and official post-secondary transcripts**, if applicable, to the Admissions Office.

- _____C. **Achieve minimum English, Math, and Reading competencies.**
 Minimum English, Reading, and Math competencies may be accomplished by achieving the minimum scores listed below on the college placement test or SAT/ACT exams. Students who do not achieve these minimum scores may retest once or complete the applicable developmental course(s), with a grade of “PC” or better, from a regionally accredited institution. Placement tests will be waived if the student has completed, with a minimum grade of “C” or better before the application deadline, ENG 111 and/or MAT 080 or their equivalents, or courses beyond these, from a regionally accredited institution. (MAT 115 does not satisfy the math competency requirement.)

This requirement may also be accomplished by completion with a minimum grade of “PC” or “C” on ENG 090 and RED 090 or ENG 111 or their equivalents, or courses beyond these, from a regionally accredited institution and completion with a minimum grade of “PC” or “C” on MAT 080, or it’s equivalent, or courses beyond these, from a regionally accredited institution.

PLACEMENT TEST/SAT/ACT MINIMUM SCORE CHART

For those who took SAT/ACT **after 2005**, the following scores apply.

	COMPASS	ASSET	SAT	ACT
Reading	81	41	440 *	19 *
English	70	41	440 *	19 *
Math	47 Pre-Algebra	41 Numeric		
Math	66/Beginning Algebra	41/Intermediate Algebra		

- **SAT and ACT scores prior to 2005 will not have scores for Reading. These test scores require a Verbal Score of 440 for the SAT and a English score of 19 for the ACT.**

- _____ D. **Achieve and maintain a 2.0 minimum cumulative grade point average** on the transcript of record **and** the COA transcript, when applicable. Achieve a minimum of “C” grade on each relevant COA or transfer course. Only grades of “C” or better will be accepted for point earning, transfer purposes, and program completion.
- _____ E. **Applicants must have completed one unit of biology in high school** with a grade of “C” or higher or the equivalent at a post-secondary institution (BIO 090 or higher). An official transcript must be provided.

REQUIREMENTS A, B, C, D, and E, must be met in entirety before applicants may apply for requirement F. Once students have met criteria A-E completely, they should contact the Health Sciences Admissions Technician (Annette Roberson, Ext 2221) for validation of requirements and to receive a validation form to take the HOBET (Health Occupations Basic Entrance Test). HOBET Validation forms will be submitted to the PN Nursing Office by the Allied Health Admissions Technician. One week after submitting HOBET Validation forms, students may contact the Health Sciences Administrative Assistant (Owens Center, Office 107, Ext. 2283) who will confirm their form has been received and at that time the applicant may select and schedule an appointment to take the HOBET.

- _____ F. **Achieve at or above all the set scores for the HOBET test for the Practical Nursing program.** Students must achieve the minimum score or above for all three scores within a single test attempt. Not meeting the score of any one section will result in not meeting the requirements of this criterion.

The required minimum scores for the HOBET are:

Essential Math Skills Percentage Score	Reading Comprehension Percentage Score	Composite Percentage Score
50%	45%	50%

A \$30.00 fee will be charged for each opportunity to take the HOBET and is due at time of validation of pre-admission criteria, with a copy of the receipt from the business office attached to the validation form. Students who do not provide proof of payment with their validation form will not be allowed to schedule a time for the HOBET.

Applicants are allowed one retake of the HOBET within a 365 day period, as long as 30 days have lapsed from the previous attempt. The 365 day period is calculated from the first test date. **Only the most recent HOBET test score available is used for qualification and ranking for the program. Applicants should be aware that if they score lower on a HOBET retake, that lower score will be used as the most recent score for qualification and ranking consideration.**

If an applicant schedules but does not show for the HOBET test, it will be considered as one of the applicant’s testing opportunities.

Once passing minimum scores have been achieved for all three sections within a single HOBET assessment, the scores are good for three years from the date the test was taken. If an applicant retakes the HOBET after achieving minimal score requirements, the more recent scores will be used for qualification and ranking for the program, even if any or all scores are lower.

PHASE II PRACTICAL NURSING APPLICATION REQUIREMENTS:

G. COMPLETE THE PRACTICAL NURSING ADMISSION APPLICATION.
Once students have met all preadmission criteria A,B,C,D, E, and F - students must complete an application to the COA Practical Nursing Program.

Applications may be obtained at the Health Science Administrative Assistant's office (Owens Center, Office 103) or from Kiesha Knight, Recruitment/Retention Specialist (Owens Center, Office 107). Applications will only be given to students who demonstrate completion of preadmission requirements A-F.

Only those students who have completed an application form in its entirety will be considered for the admission ranking process. Applications must be received in the Health Sciences Administrative Assistant's office (Owens Center, Office 107) by 5 p.m. on March 15, 2009. Late applications will NOT be accepted for any reason.

H. ATTEND THE PRACTICAL NURSING PRE-ADMISSION MEETING

After meeting the minimum PRE-ADMISSION qualifications for admission to the Practical Nursing program and submitting the Practical Nursing application, qualified applicants will receive a letter of notice and must attend a pre-admission meeting with the nursing faculty. The purpose of the pre-admission meeting is to inform prospective nursing applicants about the nursing program and answer questions or concerns of the applicants. During the meeting, applicants may be requested to validate the accuracy of the academic data contained in their file. This academic data will be utilized in the ranking process.

Applicants failing to report at the scheduled time for the pre-admission meeting will have their names withdrawn from consideration unless they have previously notified the Health Sciences Administrative Assistant's office, Owens Center, Office 103, Extension 2283 or Extension 2304. It is the applicant's responsibility to maintain communication with the college via the Health Sciences Administrative Assistant's office, Owens Center, Office 103, Extension 2283.

PRACTICAL NURSING PROGRAM NUMERICAL RANKING PROCESS

All students who have met all the required academic and testing criteria, have a complete Practical Nursing Program application on file, have attended the pre-admission meeting, and have validated the accuracy of the compiled academic data will be ranked based on a numerically objective and weighted ranking system if there are more applicants than allotted slots.. This system is utilized to determine the most qualified students based on their performance on the HOBET (50%), college or high school cumulative GPA (25%), and points awarded for courses completed in the Practical Nursing curriculum schema, previously earned degree(s), and health related work experience (25%).

The numerical ranking system assigns points from the following three different areas:

1) HOBET Score – 50%

The applicant will receive the number of percentage points based on their **COMPOSITE PERCENTAGE SCORE** on the HOBET

2) POINTS System – 25%

The applicant will receive a point total based on specific courses within the nursing program that have already been completed, previous degrees earned, and previous health care experience. Points are awarded as follows:

SPECIFIC COURSE POINTS

The Course Points section of the ranking process assigns points based on academic performance from these five (5) academic courses. All of the courses are required for the PN

program.

BIO 163 – Basic Anatomy & Physiology (If a student elects to meet the Biology requirement by taking the higher level BIO 168 and 169 courses, the ranking process will give **points** for the BIO 168 score as the grade for computing the 5 credit hour point total for BIO 163 (whether or not the student has completed BIO 169). BOTH BIO 168 and 169 courses must be completed with a “C” or better to receive **course credit** and both must be completed by the end of the Fall semester to continue to progress in the Practical Nursing program.).

PSY 110 – Life Span Development
ENG 111 - Expository Writing
ACA 111 – College Student Success
CIS 111 - Basic PC Literacy

Points will not be assigned for BIO 163, PSY 110, ENG 111, ACA 111, and CIS 111/110 if the course(s) was/were completed five years or more prior to enrollment in first semester nursing classes. Points will not be assigned for courses the student has enrolled in more than twice.

POINTS FOR PREVIOUSLY EARNED DEGREE(S)

10 points will be assigned for a bachelor’s degree which was earned at a regionally accredited institution. (Limit of one degree)

5 points will be assigned for a master’s degree which was earned at a regionally accredited institution. (Limit of one degree)

POINTS FOR PREVIOUS HEALTH CARE EXPERIENCE

One point will be assigned for every full year of paid fulltime (32 hours or more per week) health care related work experience within the past 10 years, not to exceed a total of 10 points. Acceptable fields of work experience are CNA I, CNA II, Paramedic (EMT), Surgical Technology, Medical Assisting, and Phlebotomy. Awarding of points for other health related occupations will be at the discretion of the Practical Nursing Program Coordinator, whose decision is final. **Proper documentation must be provided when submitting the PN application or by the deadline date** and must include a dated statement on official letterhead from the Personnel/Resource Officer of the health care facility where the applicant worked. The letter must include the following information:

Beginning and ending dates of work
Basic description of job duties
Average number of hours worked per week
Applicant’s current employment status

Awarding of all points related to previous health care experience is at the discretion of the PN Program Coordinator, whose decision is final.

3) OVERALL GRADE POINT AVERAGE - 25%

The cumulative OVERALL GRADE POINT AVERAGE section of the ranking process assigns points from **the most recent college transcript. This transcript must contain a minimum of twelve (12) semester hours or eighteen (18) quarter hours, of non-developmental course work.** High school transcripts will be used for ranking purposes if college transcripts do not meet the necessary criteria.

PHASE III: SELECTION PROCESS

A. Results from the HOBET Composite Percentage Score, Points System, and Overall Grade Point

- Average point assignment will be added together for the total points assigned to each applicant.
- B. Applicants will be ranked in a descending numerical order which is based on total points.
 - C. Letters of contingent acceptance will be sent to the top applicants for the number of program slots available.
 - D. Letters to other applicants who qualified, but did not place within the allotted number of slots, will be sent and these applicants will be assigned an “alternate” number based on their total ranking points.
It is from this alternate list that any vacancies that occur prior to the first day of classes may be filled at the discretion of the PN Program Coordinator, whose decision is final, starting with “Alternate 1.”
 - E. The admission process ceases and the alternate list is void beginning with the first day of class in fall semester. Any qualified applicants or alternates who do not enter the program must begin the admission process again and resubmit all paperwork in order to be considered and re-compete for the next year’s admissions.
An applicant who has concerns about the admissions process to the Practical Nursing Program should address the problem with the Program Coordinator of the Practical Nursing Program (Owens Center, Office 104, Ext. 2308).

OTHER IMPORTANT INFORMATION RELATED TO THE PN PROGRAM

Upon conditional acceptance, but prior to enrollment in the PN program, applicants will be required to provide additional information including:

- A. Documentation of current CPR Certification (must be either American Heart Association - Health Care Provider or American Red Cross – Professional Rescuer) provided to the Health Sciences Administrative Assistant’s office by the specified date. Students who do not meet this requirement may be dropped from consideration for the PN program, even if they have met all other criteria and have initially been accepted into the program.**
- B. A completed COA health care examination form indicating physical and emotional health and record of immunizations must be received in the Health Sciences Administrative Assistant’s office by the specified date. Students who do not meet this requirement may be dropped from consideration for the PN program, even if they have met all other criteria and have initially been accepted into the program.**
- C. Criminal Background Check**
A criminal background check and/or drug testing may be required by clinical sites prior to participation in the clinical component of this program. Progress toward graduation will be limited by any inability to complete the clinical portion of the program. Students with certain misdemeanor or felony convictions may have limited license and employment opportunities.

National Council Licensure Exam (NCLEX) Eligibility Form

The Board of Nursing “has determined that criminal behavior is highly relevant to an individual’s fitness to practice professional nursing. Therefore, all criminal convictions must be reported.” * (“A mandatory criminal background check is required for all applicants for initial licensure in North Carolina.”) * “If an applicant has ever been convicted of a misdemeanor and/or felony (other than minor traffic violations) or has any charges pending whatsoever,” * the applicant may be ineligible for the National Council Licensure Exam. NCLEX eligibility forms are distributed at the Nursing Programs Orientation Sessions held for contingently accepted applicants and are to be returned to the Program Coordinator the first day of class in Fall Semester (PN). The NCLEX Eligibility Form provides information about data related to previous and/or current convictions and/or charges an applicant must submit to the North Carolina Board of Nursing when applying for licensure. The NCLEX Eligibility Form has no bearing on an applicant’s admission status.

* Source - North Carolina Board of Nursing Application for Licensure Packet 2007

READMISSION PROCESS

Definition of Re-Admit: A student who has previously been enrolled in any practical nursing program.

- A. Applicants applying for readmission into the first semester of the Practical Nursing program should contact the Health Sciences Administrative Assistant’s office, Owens Center Office 103, Extension 2283, and the PN Program Coordinator (ext. 2308) for information concerning this special situation.
- B. Students who have successfully completed one semester of a Practical Nursing Program and are seeking admission to College of The Albemarle’s Practical Nursing program should contact the Practical Nursing Program Coordinator (ext. 2308).
